Putting youth on the trail to becoming godly young adults...

Summer 2026

X60mcc is open for its sixteenth summer program in 2026! The

camp is a result of seeing a need (and God providing a burden) for high school students who are growing up in our world today. Most young people never experience the true meaning of being in “the great outdoors” or being challenged to live the life God would have them to live.

This camp offers the physical challenge of backpacking, biking, & canoeing — while mixing in the spiritual challenge of walking into adulthood in the footsteps of Jesus Christ. We begin and end each day with devotions — and feature a daily session to emphasize how we become godly adults in a world that teaches us otherwise.

2026 dates:

BOYS SESSION: June 21-27

Other sessions (all girls or all boys) may be scheduled for groups of 4 or more.

2026 available slots:

Each session is limited to 4 to 10 campers to ensure at least a 5-1 camper/ leader ratio. This gives the young people quality care while maintaining our policy of leaving “no trace camping”.

2026 pricing:

\$350 per camper

Campers will need snack foods for the trails (please check our advice on trail snack foods at our website). Meals, tents, bikes, canoes, and all safety equipment are provided.

Itinerary*:

Day 1 After meeting at Harvest Baptist Church in Burlington, NC, we will travel to our base camp, Pine Mountain Retreat, in the remote hills of Wilkes County, NC. There we will have our opening orientation, a friendly “get-to-know ya” session, & finish up the day with a big campfire & cookout.

Day 2 Backpacking training, packing, and travel to the natural beauty of Virginia’s highest mountains — for our first night on the magnificent Appalachian Trail (nestled in the beautiful Blue Ridge Mountains).

Day 3 A full day of backpacking on one of the most gorgeous sections of the Appalachian Trail (Grayson Highlands and Mt. Rogers in Virginia).

Day 4 Beginning with a partial day of backpacking across Whitetop Mountain (VA), we next bike on the exquisite Virginia Creeper Trail — ending the day exploring Tennessee’s remarkable Backbone Rock.

Day 5 The day begins by traveling to the Log House Restaurant (Mouth of Wilson, VA) for a delicious breakfast feast — followed by a full day of canoeing the world’s second oldest river, the pristine New River. Camping that night will be at the rustic New River State Park.

Day 6 After completing our river miles, we journey back to the cozy Pine Mountain Retreat for an afternoon of relaxing — followed by a final huge campfire & cookout session that night.

Day 7 Pack up, return to Harvest Baptist Church: Burlington, NC.

* The itinerary is sometimes modified due to a variety of factors including the availability of activities (Hurricane Helene did extensive damage to the Virginia Creeper Trail).
